

# CONTEXT FOR THE PLAYER

Dr. Harper your old friend and a former colleague is found dead in her Home at her private last night.

What you know:

- of her long rivalry with Dr. Bell and their public dispute.
- She kept a tight circle – only she and a few trusted colleagues, including Dr. Bell had keys
- You never touched anything but a coffee mug at dr. Harpers house so there's nothing tying you to the scene of the crime.
